

## ROLE DESCRIPTION

<b>COMPANY:</b>	Lymington Precision Engineers Co Ltd (Senior PLC Group)
<b>JOB TITLE:</b>	<b>CNC MILLER</b>
<b>REPORTING TO:</b>	<b>PRODUCTION MANAGER</b>
<b>LOCATION:</b>	Based at LPE, Gosport Street, Lymington, Hampshire, SO41 9EE

---

### SCOPE AND PURPOSE OF THE JOB:

The job involves the setting and operating of CNC mills producing high value components across various industries.

Responsibilities will include:

- Setting and operating of CNC milling 3 & 4 axis machines.
- Knowledge of either Mazatrol, Hedenhain or Fanuc controls.
- The ability to carefully follow procedure in terms of process through set-up sheets etc.
- Be able to interpret technical drawings with a good understanding of geometric dimensions & tolerances.
- Ensuring that quality and safety standards are adhered to at all times.
- The necessary skill set to work within a team environment or individually.

Above all there must be sufficient expertise and confidence clearly demonstrated by experience and/or qualification to work effectively and efficiently on components of high intrinsic value without putting product at risk through inattention to detail of inferior workmanship. Knowledge of how to machine, handle and protect all types of manufactured components is essential.

There may be the need to work with customer representatives from time to time, where an appropriate level of professionalism and cooperativeness must be shown.

All work must be carried out in accordance with job card instructions and attendant stage drawings, customer specifications etc., and generally in accordance with the company's quality system.

All work must be carried out in a safe manner and in accordance with the relevant safe systems of work and generally in accordance with the company's safety policies.

### In return we can offer you:

- ◆ Varied and interesting work in a successful and progressive company
- ◆ A modern, clean and friendly working environment
- ◆ Competitive pay rate
- ◆ Profit Sharing Scheme
- ◆ Pension Scheme & Life Assurance
- ◆ Accident & Sickness Scheme
- ◆ 26 days holiday, plus 8 bank holidays
- ◆ Childcare vouchers
- ◆ Cyclescheme
